

Position Title: Forestry Summer Students

We are currently looking for **Forestry Summer Students** to join our growing team for the summer 2024 field season. This position will be based out of our downtown Edmonton office, but with a majority of the time spent conducting field work throughout northern Alberta. Candidates must be capable of performing physically demanding field work in isolated conditions.

Who are we?

Carson Integrated is a well-respected consulting firm of natural resource management professionals who provides environmental, forestry, and GIS consulting services to clients in the Upstream Oil & Gas, Pipeline, Sand & Gravel, Electrical Utility, and Forest industries throughout Alberta. Our team advocates for our diverse client base that provides distinct opportunities, exceptional challenges, and a work environment rich in variety.

Why work with us?

People are our greatest asset! Because of this, we are committed to developing our employees by providing ongoing training opportunities and rewarding performance that exceeds expectations. Our team is made up of a group of people who are friendly and thrive in a busy (and sometimes unpredictable) work environment. Our team members are fearless and unafraid to face and overcome new challenges. Not only do we work hard, but we like to have a good time at events like our infamous annual Bocce tournament or socializing together at the end of a busy week. We provide our employees with a progressive, flexible, and collaborative work environment, encouraging an entrepreneurial approach to business coupled with the opportunity for success. At Carson Integrated, our people are part of a larger team of diverse professionals committed to excellence.
